## **Lambton Kent District School Board Jumps Ahead of the Curve in Recruiting Using the HireDesk® Applicant Tracking System**

*Talent Technology leverages in-depth industry experience to help another educational organization implement a tailored recruiting solution that supports and improves their processes*

**Vancouver, B.C. – March 24, 2010 – Talent Technology Corporation** announced today that Lambton Kent District School Board, which provides educational services to more than 24,000 students in 66 elementary and secondary schools, has implemented a state of the art recruiting solution using the **HireDesk Applicant Tracking System**.

The new system allows the school board to ensure reliable hiring with trained interviewers and consistent processes in place; to save labour costs with reduced administrative workload and increased productivity; to prevent applicant drop off with an improved candidate experience; and to save environmental costs as print, paper and energy waste have been eliminated.

*“The Talent Qualification Interview Questionnaires in HireDesk are great! They save a great deal of time and effort,”* **said Stacey Elson, Recruitment Officer at Lambton Kent District School Board**. Stacey is confident in the new recruiting system and feels everyone is much happier and more confident in the overall recruiting process including Administrators, Candidates, Principals, and Recruiters.

*“With a sound understanding of the educational industry and its hiring processes, the Talent Technology Implementation and Services Team worked closely with Stacey Elson and her team to ensure the hiring workflows streamlined a cumbersome, paper-filled process,”* **said Praj Patel, EVP, Talent Technology Corporation**. *“It was imperative not only to streamline and improve their hiring workflows, but at the same time, to ensure the candidate experience was second to none. The sheer number of job openings every hiring session and the number of people involved in the process made this mandatory.”*
